Dear Sir:

In response to the Office Action dated October 11, 2002, Applicants submit the following amendment and remarks, including formal drawings depicting Figs. 1-21, and a request for extension of time under §1.136 and the appropriate fee under § 1.17. Please amend the above-identified reissue patent application as follows:

IN THE SPECIFICATION

Replace the paragraph beginning at column 12, line ⁵⁹54 with the following:

The rocker arms 100, 200, and 300 are spaced along a common rocker shaft 11 having at least one passage. The common rocker shaft 11 has a passage 12 through which a supply of engine oil flows therethrough, as shown in Fig. [5] 6. The common
